Scoring

Winner of an event scores 40 points, 2nd 38 points, 3rd 36 points and so on. If there are more than 20 riders everyone from 21st on scores 1 point each

Riders will start the Points Race with their points accrued over the first three events. Riders shall add to, and lose points from, their points totals based on laps gained and lost, and points won in sprints.

The overall omnium result will be based on riders scoring the most amount of points after the points race.

Tempo

The first sprint will commence after the 2nd lap. 1 point will be awarded to the first rider across the line in every lap after that.

If a rider laps the bunch, they will receive 20 points

If a rider gets lapped by the bunch they forfeit any points scored in this race, will be pulled off the track and will be placed according to number of riders remaining on the track at that time

Elimination

The last rider to cross the start finish line will be eliminated every lap

Points

Sprints will be held every 5 laps with 5,3,2,1 points awarded

Riders lapping the bunch will be awarded 20 points

Riders losing a lap on the bunch will receive -20 points

Double points are allocated on the last sprint.
